Dear Local Sponsor,

Thank you for your submission of a Phase I packet for the 2015-2016 Snowmobile Grant-in-Aid program. I have enclosed the completed Prior Approval Trail Application Forms that you have submitted to me for this season's grant. On them you will see if the new trail or trail change was approved or denied.

I have also included a new mileage chart for your County or Town. A GIS shapefile will be available upon request if you would like to review the data on your own GIS system. A printed county map can also be produced, if you would like one.

Thank you all for your cooperation, patience and assistance during this prior approval process. If you have any questions, please contact our office at the above number.

Sincerely,

James MacFarland
Senior Natural Resource Planner
