

## CONSTRUCTION EMPLOYMENT REPORTING AGREEMENT

Recognizing the mission of the Industrial Development Agency of Montgomery County (IDA) to promote construction employment opportunities for residents of Montgomery County and in consideration of the extension of financial assistance by the IDA, Dollar General Corporation, or its subsidiary, affiliate or partner, (Project Beneficiary) understands that it is the Agency's policy that benefiting companies should employ New York State residents and agrees to request the information below from its construction contractors and subcontractors and provide the information received to the IDA.. Project Beneficiary also agrees to provide an estimate of the number, type and duration of construction jobs to be created through IDA financial assistance, whether employment is gained directly through the Company, its general contractor, or individual vendors. Nothing in this Agreement is intended to require Project Beneficiary or its construction contractors or subcontractors to hire New York state residents exclusively or to give New York state residents preference in hiring. The only requirement of Project Beneficiary in this Agreement is to make a good faith effort to request and collect the information below and provide it to the IDA.

Upon project completion Project Beneficiary shall, if requested by the Agency, submit to the IDA a Construction Completion Report in which is identified names and business addresses of the prime contractor, subcontractors and vendors engaged in the construction of the facility.
