PUBLIC HEARING PURSUANT TO SECTION
859-a OF THE GENERAL MUNICIPAL LAW

Reported by:

NOTICE OF PUBLIC HEARING
ON PROPOSED PROJECT
AND FINANCIAL ASSISTANCE
RELATING THERETO

Notice is hereby given that a supplemental public hearing pursuant to Section 859-a(2) of the General Municipal Law of the State of New York (the “Act”) will be held by the Montgomery County Industrial Development Agency (the “Agency”) on the 11th day of April, 2024 at 11:00 o’clock a.m., local time, at the Florida Town Justice Court located at 214 Fort Hunter Road, in the Town of Florida, Montgomery County, New York in connection with the following matters:

On February 6, 2023, the Agency conducted a public hearing for the benefit of DG Distribution Northeast, LLC, d/b/a Dollar General Corporation, a limited-liability company organized and existing under the laws of the State of Tennessee (the “Company”), with respect to a project (the “Original Project”) outlined in an application (the “Original Application”) submitted to the Agency, a copy of which Original Application is on file at the office of the Agency, said Original Project then consisting of the following: (A) (1) the acquisition of an interest in an approximately 21 acre portion of a 54.4 acre parcel of land located at NYS Route 5S (Tax Map No. 54.-2-2.31), in the Town of Florida, Montgomery County, New York (the “Original Land”), (2) the construction of an approximately +/- 150,000 square foot facility on the Land (the “Original Facility”), and (3) the acquisition and installation of certain machinery and equipment therein and thereon (the “Original Equipment”) (the Original Land, the Original Facility and the Original Equipment hereinafter collectively referred to as the “Original Project Facility”), all of the foregoing to be owned and operated by the Company and used as a perishable goods warehousing and distribution space for the Company’s operations and any other directly or indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes and real property taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Original Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

Subsequently, the Company submitted a revised application (the “Revised Application,” and collectively with the Original Application, the “Application”) to the Agency, a copy of which Revised Application is on file at the office of the Agency, which Revised Application described a revised project (the “Project”) for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in an approximately 21 acre portion of a 54.4 acre parcel of land located at NYS Route 5S (Tax Map No. 54.-2-2.31), in the Town of Florida, Montgomery County, New York (the “Land”), (2) the construction of an approximately +/- 167,500 square foot facility on the Land (the “Facility”), and (3) the acquisition and installation of certain machinery and equipment therein and thereon (the “Equipment”) (the Land, the Facility and the Equipment hereinafter collectively referred to as the “Project Facility”), all of the foregoing to be owned and operated by the Company and used as a perishable goods warehousing and distribution space for the Company’s operations and any other directly or indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes and real property taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

The Revised Application described revised Project costs resulting in the need for the Agency to hold a supplemental public hearing with respect to the Project and the amount of Financial Assistance pursuant to Section 859-a(2) of the Act.

The Agency is considering whether (A) to undertake the Project, and (B) to provide certain exemptions from taxation with respect to the Project, including (1) exemption from mortgage recording taxes with respect to any documents, if any, recorded by the Agency with respect to the Project in the office of the County Clerk of Montgomery County, New York or elsewhere, (2) exemption from deed transfer taxes on any real estate transfers, if any, with respect to the Project, (3) exemption from sales taxes relating to the acquisition, construction, renovation and installation of the Project Facility, and (4) in the event that the Project Facility would be subject to real property taxation if owned by the Company but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, exemption from real property taxes (but not including special assessments and special ad valorem levies), if any, with respect to the Project Facility, subject to the obligation of the Company to make payments in lieu of taxes with respect to the Project Facility. If any portion of the Financial Assistance to be granted by the Agency with respect to the Project is not consistent with the Agency's uniform tax exemption policy, the Agency will follow the procedures for deviation from such policy set forth in Section 874(4) of the Act prior to granting such portion of the Financial Assistance.

If the Agency determines to proceed with the Project, the Project Facility will be acquired, constructed, reconstructed and installed by the Agency and will be leased (with an obligation to purchase) or sold by the Agency to the Company or its designee pursuant to a project agreement (the "Agreement") requiring that the Company or its designee make certain payments to the Agency.

The Agency has not yet made a determination pursuant to Article 8 of the Environmental Conservation Law (the "SEQR Act") regarding the potential environmental impact of the Project.

The Agency will at said time and place hear all persons with views on either the location and nature of the proposed Project, or the Financial Assistance being contemplated by the Agency in connection with the proposed Project. A copy of the Application filed by the Company with the Agency with respect to the Project, including an analysis of the costs and benefits of the Project, is available for public inspection during business hours at the offices of the Agency. A transcript or summary report of the hearing will be made available to the members of the Agency.

MR. NICOSIA: Good afternoon.
My name is Vincenzo Nicosia, and I
am the Director of Program
Development, and this is Sheila
Snell, the CFO of Montgomery County
Industrial Development Agency in
connection with the project which is
the subject of this public hearing.

Today we are holding this
Supplemental Public Hearing to allow
citizens to make a statement, for
the record, relating to the
involvement of the Agency with a
project for the benefit of DG
Distribution Northeast, LLC d/b/a
Dollar General Corporation, a
limited liability company organized
and existing under the laws of the
State of Tennessee.

The Proposed Project consists of
the following:

The acquisition of an interest
in an approximately 21-acre portion
of a 54.4-acre parcel of land
located at New York State Route 5S,

1 Tax Map No. 54-2-2.31, in the Town
2 of Florida, Montgomery County, New
3 York; the construction of an
4 approximately 167,500 square foot
5 facility on the Land, and the
6 acquisition and installation of
7 certain machinery and equipment
8 therein and thereon facility, and
9 the equipment hereinafter
10 collectively referred to as the
11 "Project Facility," all of the
12 foregoing to be owned and operated
13 by the company and used as a
14 perishable goods warehousing and
15 distribution space for the Company's
16 operations and any other directly or
17 indirectly related activities; the
18 granting of certain "financial
19 assistance," within the meaning of
20 Section 854(14) of the Act, with
21 respect to the foregoing, including
22 potential exceptions from certain
23 sales tax and use tax and real
24 property taxes; and the lease or
25 sale of the Project Facility to the

1 Company or such other persons as may
2 be designed (sic) by the Company and
3 agreed upon by the Agency. The Land
4 is currently owned by the Agency and
5 proposed to be sold to the Company
6 pursuant to a purchase agreement by
7 and between the parties in
8 connection with the Proposed
9 Project.

10 Please note that this
11 Supplemental Hearing is the second
12 hearing held by the Agency with
13 respect to the Proposed Project.
14 The first hearing was held on
15 February 6, 2023. Copies of the
16 report of the First Public Hearing
17 are available on the Agency's
18 website. The Agency is holding this
19 Supplemental Public Hearing because
20 the Company has submitted a revised
21 application to the Agency, which
22 Revised Application indicated a
23 revised project description and that
24 the cost of the Project has
25 increased. The increase in the cost

1 of the Project has resulted, A, in a
2 portion -- a proportional increase
3 of the amount of the exemptions from
4 sales and use taxes being considered
5 by the Agency, and the need to hold
6 this Supplemental Public Hearing, as
7 further described herein.

8 I intend to provide general
9 information on the Agency's general
10 authority and public purpose to
11 provide assistance to this Proposed
12 Project. I will then open the
13 comment period to receive comments
14 from all of the present individuals
15 who wish to comment on either the
16 Proposed Project or the Financial
17 Assistance contemplated by the
18 Agency with respect to the Proposed
19 Project.

20 Legal Authorizations and Powers
21 of the Agency. The provisions of
22 Chapter 1030 of Laws of 1969 of New
23 York, constituting Title I of
24 Article 18-A of the General
25 Municipal Law, Chapter 24 of the

1 Consolidated Laws of New York, as
2 amended, and Chapter 666 of the 1970
3 Laws of New York, as amended,
4 constituting Section 895-d of said
5 General Municipal Law, authorize the
6 Agency to promote, develop,
7 encourage and assist in the
8 acquiring, construction,
9 reconstruction, improving,
10 maintaining and equipping and
11 furnishing of manufacturing,
12 warehouse, research, commercial and
13 industrial facilities, among others.

14 Purpose of this Supplemental
15 Hearing. Pursuant to the Section
16 859-a of the Act, prior to the
17 Agency providing any "financial
18 assistance" of more than \$100,000 to
19 any project, the Agency, among other
20 things, must hold a public hearing
21 pursuant to Section 859-a of the Act
22 with respect to said project. Since
23 the proposed "financial assistance"
24 to be provided by the Agency with
25 respect to the Proposed Project as

described in the Revised Application may exceed \$100,000, prior to providing any "financial assistance" of more than \$100,000 to the Proposed Project, the Agency must hold a public hearing on the nature and location of the Project Facility and the proposed "financial assistance" to be provided by the Agency with respect to the Proposed Project.

After consideration of the Revised Application received from the Company, the members of the Agency authorized the Agency to conduct this Supplemental Public Hearing with respect to the Proposed Project pursuant to Section 859-a of the Act at a meeting of the Agency held on March 21, 2024.

By way of background, notice of this Supplemental Public Hearing was published on March 29, 2024 in The Recorder, a newspaper of general circulation available to the

1 residents of the Town of Florida,
2 Montgomery, County, New York. In
3 addition, as required by New York
4 State law, the notice of this
5 Supplemental Public Hearing was
6 mailed on March 28, 2024 to the
7 County Executive of Montgomery
8 County, the Town Supervisor of the
9 Town of Florida, the Superintendent
10 and the Board President, of the
11 Fonda-Fultonville Central School
12 District and was posted on March 28,
13 2024 on a public bulletin board
14 located at 113 Park Drive, New York,
15 Fultonville, Montgomery County, New
16 York and on the Agency's website.

17 Copies of this notice of this
18 Supplemental Public Hearing are
19 available on the table.

20 Now, unless there is any
21 objection, I am going to suggest
22 waiving the full reading of the
23 notice of this Supplemental Public
24 Hearing, and instead request that
25 the full text of the notice of this

1 Supplemental Public Hearing be
2 inserted into the record of this
3 Supplemental Public Hearing.

4 The comments received today at
5 this Supplemental Public Hearing
6 will be presented to the members of
7 the Agency at or prior to the
8 meeting at which the members of the
9 Agency will consider whether to
10 approve the undertaking of the
11 Proposed Project by the Agency and
12 the granting by the Agency of any
13 "financial assistance" in excess of
14 \$100,000 with respect to the
15 Proposed Project. The Agency
16 currently intends to consider the
17 Proposed Project at the meeting of
18 the Agency to be held on April 15,
19 2024. This meeting, like all
20 meetings of the Agency, will be open
21 to the public.

22 Written Comments. The notice of
23 this Supplemental Public Hearing
24 indicated that written comments
25 could have been addressed to Kenneth

1 F. Rose, the Chief Executive Officer
2 of the Agency. Written comments
3 have been received -- no written
4 comments have been received by the
5 agency prior to this Supplemental
6 Public Hearing.

7 Open Supplemental Public Hearing
8 to the Floor for Comments. I will
9 now open this Supplemental Public
10 Hearing for the comment at 11:08.

11 By the way of operating rules,
12 if you wish to make a public
13 comment, please raise your hand, and
14 I will call on you. Please wait to
15 be recognized. Once recognized,
16 please stand and state your name and
17 address for the record.

18 Please keep your comments to
19 five minutes so that all those
20 present today may have a chance to
21 comment for the record. If your
22 comments mirror those of someone who
23 has already spoken, you may so
24 indicate and then relinquish the
25 podium to another speaker so that

1 all views represented at this
2 Hearing may be heard.

3 When everyone has had an
4 opportunity to speak, I will
5 conclude this Supplemental Public
6 Hearing. A record of this
7 Supplemental Public Hearing will be
8 prepared and reviewed by the members
9 of the Agency in connection with
10 Agency's consideration of the
11 Proposed Project.

12 Again, the proposed -- the
13 purpose of this Supplemental Public
14 Hearing is to solicit public
15 comment. We are not here to answer
16 questions. However, we will in the
17 course of this Supplemental Public
18 Hearing consider questions if we
19 have the information to answer the
20 questions and if there is sufficient
21 time to consider such questions.

22 I will now ask that if there is
23 anyone in attendance who wishes to
24 comment on either the nature of the
25 Project and location of the Project

1 or the proposed "financial
2 assistance" being contemplated by
3 the Agency with respect to the
4 Proposed Project.

5 For the record, please state
6 your name and indicate your comments
7 on either the Proposed Project or
8 the proposed "financial assistance"
9 being contemplated by the Agency
10 with respect to the Proposed
11 Project.

12 (Off the record at 11:09 a.m.)

13 MR. NICOSIA: So there was no
14 one in attendance and no comments to
15 be made from the public at this
16 Supplemental Public Hearing, and I
17 will now close this Supplemental
18 Public Hearing at 11:23 a.m.

19 (Whereupon, at 11:23 a.m., the
20 Hearing was adjourned.)
