## **VII. Financial Report**

### **A. Financial Report**

Ms. Sheila Snell reported that the financials are included in the board members' packets for review. The agency fees came in to the CRC for the Family Counseling Center of Fulton County, Inc., project. The balance listed in the report will increase from the report because it the fee was submitted in June.

## **VIII. Unfinished Business**

### **A. PARIS Report**

The reporting requirements to the Authorities Budget Office (ABO) are similar to the Industrial Development Agency (IDA). There are four reports included in the one report – Procurement, Investment, Annual and Certified Audit. The report mirrors the reporting for the IDA, with the exception of the differing projects for the CRC.

## **IX. New Business**

### **A. Child Care Feasibility Study**

Mr. Ken Rose states the as part of the Business Development Center's aggressive business retention program department staff routinely meet with dozens of area businesses, both large and small, to find out what the needs are in the business community. What we've found is that child care for workers has been an issue. At the beginning of the year, the County Executive set up a Business Advisory Committee, which has been meeting about once a month, especially during this pandemic. One item that continues to come up is child care, especially for employers in the Route 5S corridor. The Business Roundtable set up a sub-committee to undertake a true study and see the demand for child care. The Route 5S corridor continues to get busier with Dollar General opening, Amazon building and the potential of other projects could bump employment in that corridor above 4,000 in that area alone.

Mr. Rose states that the CRC would be the best place to fund this initiative, as it aligns nicely with the mission.

The following resolution was offered by Amanda Auricchio, Esq., seconded by Laurie Weingart, to wit:

**RESOLUTION AUTHORIZING THE ENTERING OF THE MONTGOMERY COUNTY CAPITAL RESOURCE CORPORATION INTO AN AGREEMENT FOR PROFESSIONAL SERVICES-CHILD CARE FACILITY FEASIBILITY STUDY**

The question of the adoption of the foregoing resolution was duly put to vote on roll call, which resulted as follows:

Matthew Beck	VOTING	YES
Carol Shineman	VOTING	ABSENT
Robert Harris	VOTING	YES
Mark Kowalczyk	VOTING	YES
Amanda Auricchio, Esq.	VOTING	YES
Laurie Weingart	VOTING	YES
Cheryl Reese	VOTING	YES

The resolution 20-07 was thereupon declared duly adopted.

### **B. PPE Purchase**

Mr. Rose says that things have transpired with the Covid-19 pandemic, one of our local manufactures in Amsterdam started shifting business towards the production of Personal Protective Equipment (PPE). A lot of our county businesses that have been deemed essentially and stayed open through these last few months have been looking for PPE and the department believed it would be a good thing to make a purchase of these items to make them available to our business community.

The following resolution was offered by Cheryl Reese, seconded by Robert Harris, to wit:

RESOLUTION AUTHORIZING THE ENTERING OF THE MONTGOMERY COUNTY CAPITAL RESOURCE CORPORATION INTO A CONTRACT WITH SARATOGA HORSEWORKS, INC.-PURCHASE OF PPE DUE TO COVID-19 FOR COUNTY BUSINESSES

The question of the adoption of the foregoing resolution was duly put to vote on roll call, which resulted as follows:

Matthew Beck	VOTING	YES
Carol Shineman	VOTING	ABSENT
Robert Harris	VOTING	YES
Mark Kowalczyk	VOTING	YES

Laurie Weingart	VOTING	YES
Cheryl Reese	VOTING	YES

The resolution 20-08 was thereupon declared duly adopted.

### **C. Buy Local Initiative**

Another idea the came out of the County Executive's Business Advisory Committee was to redirect some funds to existing businesses, with everything taking place due to the pandemic.

This Buy It In Montgomery campaign would promote our local businesses and help to promote them with a program and directory-style website. Smaller companies don't necessarily have a big marketing budget, so the department thought this would be a way to assist them and help them, when some businesses are looking to increase business.

Ms. Laurie Weingart believes this is a great idea to help spotlight local businesses and Montgomery County.

Ms. Cheryl Reese says a campaign highlighting local businesses would be money well spent.

Chairman Beck says this initiative meets a lot of different needs. If the board can assist ideas coming out of the business roundtable, that's what we're here for. What could be better than reinvesting money that has come into the CRC recently and putting back in to helping our existing local businesses. It's a win-win all around.

The following resolution was offered by Cheryl Reese, seconded by Amanda Auricchio, Esq., to wit:

RESOLUTION AUTHORIZING THE MONTGOMERY COUNTY CAPITAL RESOURCE CORPORATION TO IMPLEMENT AND FUND THE BUY IT IN MONTGOMERY COUNTY PROGRAM AND AUTHORIZING THE MONTGOMERY COUNTY CAPITAL RESOURCE CORPORATION TO ENTER INTO AN AGREEMENT WITH ENGINES OF CREATION FOR WEBSITE SERVICES

The question of the adoption of the foregoing resolution was duly put to vote on roll call, which resulted as follows:

Carol Shineman	VOTING	ABSENT
Robert Harris	VOTING	YES
Mark Kowalczyk	VOTING	YES
