WHEREAS, by resolution adopted by the members of the Agency on November 13, 2025 (the “Public Hearing Resolution”), the Agency authorized a public hearing to be held pursuant to Section 859-a of the Act with respect to the Project. presented at such Public Hearing and caused copies of said Public Hearing Report to be made available to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”) and the regulations (the “Regulations”) adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, “SEQRA”), by resolution adopted by the members of the Agency on February 12, 2026, the Agency determined that the Project constituted a “Type II action” (as such quoted term is defined under SEQRA) and therefore that no further action with respect to the Project was required under SEQRA; and

WHEREAS, the Agency’s Uniform Tax Exemption Policy (the “Policy”) provides a standardized method for the determination of payments in lieu of taxes for a facility similar to the Project Facility. In connection with the Application, the Company made a request to the Agency (the “Request”) that the Agency deviate from the Policy with respect to Project; and

WHEREAS, pursuant to Section 874(4) of the Act and the Policy, prior to taking final action on such request for a deviation from the Policy, the Agency must give the chief executive officers of the County and each city, town, village and school district in which the Project Facility is located (collectively, the “Affected Tax Jurisdictions”) written notice of the proposed deviation from the Policy and the reasons therefor prior to the meeting of the Agency at which the members of the Agency shall consider whether to approve such proposed deviation; and

WHEREAS, pursuant to the resolution adopted by the members of the Agency on January 8, 2026 (the “PILOT Deviation Notice Resolution”), the Chairperson of the Agency caused a letter dated January 9, 2026 (the “PILOT Deviation Notice Letter”) to be mailed to the chief executive officers of the Affected Tax Jurisdictions, informing said individuals that the Agency would, at a subsequent meeting of the Agency, consider a proposed deviation from the Policy with respect to the Payment in Lieu of Tax Agreement (as defined herein) to be entered into by the Agency with respect to the Project and the reasons for said proposed deviation; and

WHEREAS, by resolution adopted by the members of the Agency on February 12, 2026, the Agency approved the deviation from the Policy with respect to the terms of the proposed Payment in Lieu of Tax Agreement to be entered into by the Agency with respect to the Project Facility for the reasons set forth in the PILOT Deviation Notice Letter; and

WHEREAS, pursuant to Section 862(2)(b) of the Act, the Agency would be authorized to provide financial assistance in respect of the Project provided that the obligation of the Agency to proceed with the Project was subject to certain conditions, including (1) following compliance with the procedural requirements of Section 859-a of the Act, a finding by the Agency that the Project would preserve permanent, private sector jobs in the State of New York or increase the overall number of permanent, private sector jobs in the State of New York and (2) confirmation by the County Executive of the County (the “County Executive”), as chief executive officer of Montgomery County, New York, pursuant to Section 862(2)(c) of the Act, of the proposed action by the Agency with respect to the Project; and

WHEREAS, by further resolution adopted by the members of the Agency on February 12, 2026 (the “Commercial Finding Resolution”), the Agency (A) determined that the Project constituted a “commercial project” within the meaning of the Act, (B) found that although the Project Facility appears to constitute a project where facilities or properties that are primarily used in making the retail sales of goods or services to customers who personally visit such facilities may constitute more than one-third of the costs of the Project, the Agency is authorized to provide financial assistance in respect of the Project

pursuant to Section 862(2)(a) of the Act because (i) the Project is likely to attract a significant number of visitors from outside the Mohawk Valley economic development region, including through attracting truck and motor vehicle shows and events and (ii) the predominant purpose of the Project would be to make available good or services which would not, but for the Project, be reasonably accessible to the residents of the city, town or village in which the Project will be located, (C) determined, following a review of the Public Hearing Report, that the Project would serve the public purposes of the Act by preserving permanent private sector jobs in the State of New York, and (D) determined that the Agency would proceed with the Project and the granting of the Financial Assistance; provided however, that no financial assistance would be provided to the Project by the Agency unless and until the County Executive, as chief executive officer of the County, pursuant to Section 862(2)(c) of the Act, confirmed the proposed action of the Agency with respect to the Project; and

WHEREAS, the Agency has given due consideration to the Application, and to representations by the Company that (A) the granting by the Agency of the Financial Assistance with respect to the Project will be an inducement to the Company to undertake the Project in Montgomery County, New York and (B) the completion of the Project will not result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State of New York to another area in the State of New York and will not result in the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State of New York; and

WHEREAS, the Agency desires to encourage the Company to preserve and advance the job opportunities, health, general prosperity and economic welfare of the people of Montgomery County, New York by undertaking the Project in Montgomery County, New York; and

WHEREAS, in order to consummate the Project and the granting of the Financial Assistance described in the notice of the Public Hearing, the Agency proposes to enter into the following documents (hereinafter collectively referred to as the "Agency Documents"): (A) a lease to agency (the "Lease to Agency" or the "Underlying Lease") by and between the Company, as landlord, and the Agency, as tenant, pursuant to which the Company will lease to the Agency a portion of the Land and all improvements now or hereafter located on said portion of the Land (collectively, the "Leased Premises"); (B) a license agreement (the "License to Agency" or the "License Agreement") by and between the Company, as licensor, and the Agency, as licensee, pursuant to which the Company will grant to the Agency (1) a license to enter upon the balance of the Land (the "Licensed Premises") for the purpose of undertaking and completing the Project and (2) in the event of an occurrence of an Event of Default by the Company, an additional license to enter upon the Licensed Premises for the purpose of pursuing its remedies under the Lease Agreement (as hereinafter defined); (C) a lease agreement (and a memorandum thereof) (the "Lease Agreement") by and between the Agency and the Company, pursuant to which, among other things, the Company agrees to undertake the Project as agent of the Agency and the Company further agrees to lease the Project Facility from the Agency and, as rental thereunder, to pay the Agency's administrative fee relating to the Project and to pay all expenses incurred by the Agency with respect to the Project; (D) a payment in lieu of tax agreement (the "Payment in Lieu of Tax Agreement") by and between the Agency and the Company, pursuant to which the Company will agree to pay certain payments in lieu of taxes with respect to the Project Facility; (E) a uniform agency project agreement (the "Uniform Agency Project Agreement") by and between the Agency and the Company regarding the granting of the financial assistance and the potential recapture of such assistance; (F) a recapture agreement (the "Section 875 GML Recapture Agreement") by and between the Company and the Agency, required by the Act, regarding the recovery or recapture of certain sales and use taxes; (G) if the Company intends to finance the Project with borrowed money, a mortgage and any other security documents and related documents (collectively, the "Mortgage") from the Agency and the Company to the Company's lender with respect to the Project ("the Lender"), which Mortgage will grant a lien on and security interest in the Project Facility to secure a loan from the Lender to the Company with respect to the Project (the "Loan"); (H) if the Company requests the

Agency to appoint a contractor or contractors, as agent(s) of the Agency (each, a “Contractor”) (1) an agency indemnification agreement (the “Contractor Agency and Indemnification Agreement”) by and between the Agency and the Contractor, (2) a recapture agreement (the “Contractor Section 875 GML Recapture Agreement”) by and between the Agency and the Contractor, (3) a sales tax exemption letter (the “Contractor Sales Tax Exemption Letter”) and (4) a Thirty-Day Sales Tax Report (the “Contractor Thirty-Day Sales Tax Report”) and any additional report to the Commissioner of the State Department of Taxation and Finance concerning the amount of sales tax exemption benefit for the Project (the “Additional Thirty-Day Project Report”) (collectively, the “Contractor Documents”); (I) if the Company intends to request the Agency to appoint (1) the Company, as agent of the Agency and (2) a contractor or contractors, as agent(s) of the Agency prior to closing on the Project and the Lease Agreement, agency and indemnification agreements, interim Section 875 GML recapture agreements, interim sales tax exemption letters and interim thirty-day sales tax reports (collectively, the “Interim Documents”); and (J) various certificates relating to the Project (the “Closing Documents”); and

WHEREAS, as a result of discussions had by the Company with the Town of Palatine (the “Town”), the Village of Nellyton (the “Village”), the Fort Plain Central School District (the “District”) and Montgomery County (the “County”), as the affected jurisdictions (within the meaning of such term in Section 854(16) of the New York State General Municipal Law) (the “Affected Tax Jurisdictions”), the Agency has been advised that the Affected Tax Jurisdictions desire for the allocation and distribution of payments in lieu of taxes under the Payment in Lieu of Tax Agreement (the “PILOT Payments”) to be made in a manner that is different from the distribution and allocation of real property tax payments that would be in effect if the Agency was not involved in the Project and the Project Facility was not exempt from real property taxes (as such allocation of PILOT Payments among the Affected Taxing Jurisdictions is further described in the PILOT Deviation Notice Letter); and

WHEREAS, Section 858(15) of the Act requires the Agency to obtain the written consent of the Affected Tax Jurisdictions when the Agency proposes to allocate and distribute PILOT Payments to the Affected Tax Jurisdictions in a manner that is different from the distribution and allocation of real property tax payments that would be in effect if the Agency was not involved in the Project and the Project Facility was not exempt from real property taxes (as each capitalized term is defined in the Payment in Lieu of Tax Agreement); and

WHEREAS, as a condition to granting the Financial Assistance, the Agency required that the County, the Town, the Village and the District each adopt resolutions approving the allocation of real property tax payments to the Affected Taxing Jurisdictions under the proposed Payment in Lieu of Tax Agreement (collectively, the “Affected Taxing Jurisdictions Resolutions”); and

WHEREAS, the Agency has received certified copies of the Affected Taxing Jurisdictions Resolutions as adopted by the Affected Taxing Jurisdictions;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF MONTGOMERY COUNTY INDUSTRIAL DEVELOPMENT AGENCY AS FOLLOWS:

Section 1. All action taken by the Chairperson, Vice Chairperson, Chief Executive Officer and other staff of the Agency with respect to the Public Hearing with respect to the Project is hereby ratified and confirmed.

Section 2. The law firm of Hodgson Russ LLP is hereby appointed Agency Counsel to the Agency with respect to all matters in connection with the Project. Agency Counsel for the Agency is hereby authorized, at the expense of the Company, to work with the Company, counsel to the Company, counsel to the Agency and others to prepare, for submission to the Agency, all documents necessary to effect the

transactions contemplated by this resolution. Agency Counsel has prepared and submitted an initial draft of the Agency Documents to staff of the Agency.

Section 3. The Agency hereby finds and determines that:

(A) By virtue of the Act, the Agency has been vested with all powers necessary and convenient to carry out and effectuate the purposes and provisions of the Act and to exercise all powers granted to it under the Act;

(B) The Project constitutes a “project,” as such term is defined in the Act;

(C) The Project site is located entirely within the boundaries of Montgomery County, New York;

(D) It is estimated at the present time that the costs of the planning, development, acquisition, construction, reconstruction and installation of the Project Facility (collectively, the “Project Costs”) will be approximately \$2,250,000;

(E) Although the completion of the Project will result in the removal of a plant or facility of any proposed occupant of the Project Facility from one area of the State of New York to another area in the State of New York and/or the abandonment of one or more plants or facilities of any occupant of the Project Facility located in the State of New York, the Company has represented in the Application that the Financial Assistance is reasonably necessary to discourage the Company from removing such other plant or facility to a location outside the State of New York;

(F) Although the Project constitutes a project where facilities or property that are primarily used in making retail sales of goods or services to customers who personally visit such facilities constitute more than one-third of the costs of the Project, the Agency is authorized to provide financial assistance with respect to the Project because (i) the Project is likely to attract a significant number of visitors from outside the Mohawk Valley economic development region, including through attracting truck and motor vehicle shows and events and (ii) the predominant purpose of the Project would be to make available good or services which would not, but for the Project, be reasonably accessible to the residents of the city, town or village in which the Project will be located;

(G) The granting of the Financial Assistance by the Agency with respect to the Project will provide a manufacturing and warehousing facility located within the County which was previously operated by multiple car dealerships which maintained high employment levels. The previous operator determined to leave the area which is expected to result in the loss of many full-time employment positions within the County. Therefore, the granting of the Financial Assistance will promote and maintain the job opportunities, general prosperity and economic welfare of the citizens of Montgomery County, New York and the State of New York and improve their standard of living, and thereby serve the public purposes of the Act;

(H) The Agency has reviewed the Public Hearing Report and has fully considered all comments contained therein;

(I) The Company has provided a written statement in the Application, and further confirmed during the Public Hearing, that the Project would not be undertaken but-for the Financial Assistance to be provided by the Agency;

(J) The Project should receive the Financial Assistance in the form of exemptions from mortgage recording tax and real property tax based on the description of expected public benefits to occur as a result of this Project, as described on Exhibit A attached hereto; and

(K) It is desirable and in the public interest for the Agency to enter into the Agency Documents.

Section 4. In consequence of the foregoing, the Agency hereby determines to: (A) accept the License Agreement; (B) lease the Project Facility to the Company pursuant to the Lease Agreement; (C) acquire, construct and install the Project Facility, or cause the Project Facility to be acquired, installed and constructed; (D) enter into the Payment in Lieu of Tax Agreement; (E) enter into the Uniform Agency Project Agreement; (F) enter into the Section 875 GML Recapture Agreement; (G) if applicable, secure the Loan by entering into the Mortgage; (H) if applicable, enter into the Interim Documents; and (I) grant the Financial Assistance with respect to the Project; provided, however, that no financial assistance shall be provided to the Project by the Agency unless and until the Affected Tax Jurisdictions shall, pursuant to Section 858(15) of the Act, provided written consent to the proposed allocation and distribution of PILOT payments under the Payment in Lieu of Tax Agreement with respect to the Project; provided, however, that no financial assistance shall be provided to the Project by the Agency unless and until the County Executive, as chief executive officer of the County shall, pursuant to Section 862(2)(c) of the Act, confirm the proposed action of the Agency with respect to the Project.

Section 5. The Agency is hereby authorized (A) to acquire a license in the Licensed Premises pursuant to the License Agreement, (B) to acquire a leasehold interest in the Leased Premises pursuant to the Underlying Lease, (C) to acquire title to the Equipment pursuant to a bill of sale (the "Bill of Sale to Agency") from the Company to the Agency, and (D) to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisitions are hereby approved, ratified and confirmed; provided, however, that no financial assistance shall be provided to the Project by the Agency unless and until the Affected Tax Jurisdictions shall, pursuant to Section 858(15) of the Act, have provided written consent to the proposed allocation and distribution of PILOT payments under the Payment in Lieu of Tax Agreement with respect to the Project.

Section 6. The Agency is hereby authorized to acquire, construct and install the Project Facility as described in the Lease Agreement and to do all things necessary or appropriate for the accomplishment thereof, and all acts heretofore taken by the Agency with respect to such acquisition, construction and installation are hereby ratified, confirmed and approved.

Section 7. The Chairperson, Vice Chairperson or Chief Executive Officer of the Agency, with the assistance of Agency Counsel, is authorized to negotiate and approve the form and substance of the Agency Documents.

Section 8. (A) The Chairperson, Vice Chairperson or Chief Executive Officer of the Agency is hereby authorized, on behalf of the Agency, to execute and deliver the Agency Documents, and, where appropriate, the Secretary (or Assistant Secretary) of the Agency is hereby authorized to affix the seal of the Agency thereto and to attest the same, all in the forms thereof as the Chairperson, Vice Chairperson or Chief Executive Officer shall approve, the execution thereof by the Chairperson, Vice Chairperson or Chief Executive Officer to constitute conclusive evidence of such approval.

(B) The Chairperson, Vice Chairperson or Chief Executive Officer of the Agency is hereby further authorized, on behalf of the Agency, to designate any additional Authorized Representatives of the Agency (as defined in and pursuant to the Lease

Agreement).

Section 9. The officers, employees and agents of the Agency are hereby authorized and directed for and in the name and on behalf of the Agency to do all acts and things required or provided for by the provisions of the Agency Documents, and to execute and deliver all such additional certificates, instruments and documents, to pay all such fees, charges and expenses and to do all such further acts and things as may be necessary or, in the opinion of the officer, employee or agent acting, desirable and proper to effect the purposes of the foregoing resolution and to cause compliance by the Agency with all of the terms, covenants and provisions of the Agency Documents binding upon the Agency.
